No. 22. Read the following:—

To.

THE RIGHT HONORABLE LORD NAPIER, K. T.,

Governor in Council, Madras.

The respectful Petition of G. F. FISCHER,
Esq., and KRISTNASAWMY CHETTIAR,
of Madura,

SHEWETH,

That, in 1865, a Meeting was convened by the Collector of Madura, when certain Proceedings of Government were read, offering to extend the Telegraph line to Madura, if the Government were guaranteed against loss for the first five years, by the establishment of a 2nd Class Station.

2. That, thereon, your Petitioners addressed the Collector of Madura, tendering the required guarantee; but, though nearly two years have since elapsed, nothing, so far as your Petitioners can learn, has been done to further the proposed measure.

3. That the importance of the extension of telegraphic communications is too generally acknowledged to need observation on the part of Petitioners, who therefore, beg permission merely to solicit the attention of Government to the subject, and to be excused for doing so.

And your Petitioners shall, as in duty bound, ever pray.

MADURA,

(Signed) G. F. FISCHER.

3rd November 1866.
