*Proceedings of the Madras Government, Public Department,
5th February 1866.*

No. 8. Read the following letter from the Collector of North Arcot, to the Chief Secretary to Government, Fort Saint George; dated Goodiatham, 31st January 1866, No. 6.

I have the honor to acknowledge the receipt of Mr. Under Secretary Walker's Official Memorandum of the 25th instant, No. 28, requesting me to state what has been done towards re-establishing the Civil Dispensary at Raneepett.

2. In reply, I beg to state that the Dispensary was re-opened on the 1st December last, under Medical charge of an Assistant Apothecary, who is receiving, on this account, an allowance of 50 Rupees per mensem, from the annual allotment to this Institution of Rupees 2316, sanctioned in the Order of Government, dated 2nd October last, No. 1026.

3. A Committee has, I learn, been formed at Raneepett, with the Head Assistant as its Ex-officio President, for the management of the affairs of the Dispensary; and the establishment specified in the margin is being gradually entertained, as the growing requirements of the Institution render necessary.

Arrangements have been made for the purchase of the necessary furniture and stores required, to place the Institution on a thoroughly comfortable and efficient footing, out of the private subscriptions standing to the credit of the Institution in the Government Savings' Bank. The amount thus withdrawn, I purpose, as soon as the sanction of Government has been received for the refund of surplus funds (for which I am about to submit an application through the Board of Revenue), to re-place in the Government Savings' Bank. The amount so invested might be held in reserve, for the purpose of meeting any future call to which the Managing Committee may recommend its being applied.

5. The Dispensary is now located in the same building formerly occupied for the purpose, viz., the Lock Hospital; but as this is situated in low swampy ground, and immediately below the European Cemetery, I have applied to the Military authorities, through the Board of Revenue, for permission to appropriate the Native Hospital out of the many vacant buildings in their charge.
