*Proceedings of the Madras Government, Public Department,
19th December 1866.*

No. 78. Read the following letter from the Collector of Trichinopoly, to the Secretary to Government, Fort Saint George ; dated Trichinopoly, 11th December 1866, No. 64.

In forwarding the accompanying Extract from Proceedings of the Municipal Commissioners, I have the honor to request that Government will authorize the payment on account of licenses for the Artillery horses and bullocks, which should be taken out under Section 58, Act X of 1865, there being no exemption in favor of the State as regards these animals. I may add that the time allowed expires on the 13th instant, and that the matter was brought to notice in my letter, dated 19th November 1866.

Extract from the Proceedings of the Municipal Commissioners, held on Saturday the 8th December 1866.

Resolved that the attention of Government be again drawn to the fact that all Government property in the shape of horses, camels, elephants, &c., should be duly registered before 13th instant, as there is no exemption granted by the Act in favor of these animals ; further, that although the Commissioners will be most unwilling and reluctant to put in force the penalties of Section 60, Act X of 1865, still their duty is to exercise the law as they find it, and they must accordingly conform to the provisions thereof.
