*Proceedings of the Madras Government, Public Department,
20th December 1866.*

No. 86. Read the following letter from the President of the Municipal Commission, Cuddalore, to the Chief Secretary to Government, Fort Saint George; dated Cuddalore, 3rd December 1866, No. 29.

In my report, with details, under date the 19th September last, for working the Municipal Act at Cuddalore, provision was made for the half-year for the sum of Rupees 576, as expenses to be incurred for toll collections; and the estimated receipts on the same account, for the half-year ending the 30th April 1867, were Rupees 1250.

2. The receipts during the past month, which is the first month the Municipal Act has been in force, have reached the sum of Rupees 741-13-0, and experience shows the establishment entertained to be quite inadequate for the work, since it requires the incessant attendance day and night at each gate of the single Toll Collector and Peon; and the impossibility of expecting this uninterrupted attendance is sufficiently obvious. The Toll Collectors have, from the first, complained, and so also the Peons, that they have no rest night or day; and, accordingly, with the consent of the Commissioners, I solicit of Government sanction for the entertainment of exactly double the present establishment, which I conceive is no more than essential to carry on the work of the Toll Gates with any efficiency, or with any sure guarantee that the tolls may not frequently be evaded, owing to the occasional unwatchfulness, whether at night or in the day time, of the present servants employed.

3. In anticipation of sanction, I propose to entertain the extra hands from the 16th instant, unless, meanwhile, orders to the contrary reach me.

No. 87. ORDER THEREON, 20th December 1866, No. 1293.
Sanctioned.
