Proceedings of the Madras Government, Public Department,
6th February 1866.

No. 15. Read the following letter from the Principal Inspector General, Medical Department, to the Chief Secretary to Government, Fort Saint George; dated 6th February 1866, No. 45.

In forwarding the accompanying note from Dr. Reed, of Tuticorin, to my address, I beg respectfully to recommend that His Excellency the Governor in Council may be pleased to order that that gentleman shall be permitted to return to the medical charge of public Servants and Establishments at Tuticorin, on his return to India.

From J. L. REED, Esq., to the Principal Inspector General, Medical Department; dated Madras, 5th February 1866.

I have received the Proceedings in Council, dated 23rd January, regarding my application for leave, and am much disappointed at the order thereon. I presume there were unforeseen difficulties in my case.

2. May I call your attention particularly to the last paragraph of the same Proceedings, and request of you to try and get Government to re-consider my case, that they may be induced to rescind the last paragraph, and substitute one to the effect that, on my return to Tuticorin, I shall be re-employed as before, and that, as my absence will now be of shorter duration than I intended it to be, you may be permitted to place some one in temporary charge during my absence.

No. 16. ORDER THEREON, 6th February 1866, No. 131.

In the event of no permanent arrangement for the performance of the Medical duties at Tuticorin being made before Dr. Reed's return to India, the Government will be prepared to consider favorably any application he may make, and which may be supported by the Principal Inspector General, Medical Department, for a renewal of his engagement.
