Proceedings of the Madras Government, Public Department,
7th February 1866.

No. 22. Read the following letter from the Inspector General of Ordnance and Magazines, to the Chief Secretary to Government, Fort Saint George ; dated 3rd February 1866, No. 253.

Indent Department.

I have the honor to bring to the notice of Government that, with a view to meet certain requisitions for Royal writing paper for 1866-67, for which estimates have been received in the Stationery Office, it will be necessary to purchase a supply in the local market, to the extent of about 70 reams. This quantity will be sufficient for the purpose referred to, until the receipt of the consignment included in the General Indent of the Stationery Depot, which, by the latest advice received, will probably be despatched from England in March next.

No. 23. ORDER THEREON, 7th February 1866, No. 138.

Under the circumstances, the Governor in Council authorizes the purchase of seventy reams of Royal writing paper in the local market.
