FROM

A. J. ARBUTHNOT, Esq.,

Chief Secretary to the Government of Fort Saint George,

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,

HOME DEPARTMENT.

SIR,

Referring to Colonel Yule's letter, of the 5th June 1861, No. 1934, I am directed by His Excellency the Governor in Council to forward the accompanying copies of Proceedings relating to the experimental manufacture of gas in Fort Saint George. The result of the experiment is shown in the Memorandum subjoined to the letter from the Superintendent of Gas Works, of the 10th April 1865.

2. That result, it will be seen, is satisfactory; and the advantage, in point of economy, to be derived from the employment of gas, in lieu of oil, irrespective of its greater brilliancy, has determined this Government to extend the works so as to admit of the whole of the Fort being lighted with Coal Gas.
