*Proceedings of the Madras Government, Public Department,
21st February 1866.*

No. 69. Read the following letter from the Honorary Secretary, Madras Cricket Club, to the Chief Secretary to Government, Fort Saint George; dated Madras, 10th February 1866.

I have the honor, on behalf of the Madras Cricket Club, to request that you will obtain the permission of the Governor in Council to divert the road running to the west of the new Chepauk Cricket Ground.

2. We find, on trial, that the ground is not of sufficient extent, and the slope from the front of the Civil Engineering College is so great as to prevent our moving the match ground further eastwards. If His Excellency in Council should consider it necessary, we shall be prepared to make a new road, wherever he may direct, but, our funds being limited, we shall of course be glad to avoid this heavy additional expense.

No. 70. ORDER THEREON, 21st February 1866, No. 182.

The Governor in Council authorizes the Committee of the Madras Cricket Club to extend their Cricket Ground beyond the road running west of it.

2. The Superintending Engineer will be instructed to report whether it is necessary that a new road should be constructed, and, if so, what the cost will be. The Government will then determine what sum the Cricket Club will be required to contribute for this purpose.
