No. 97. Read the following letter from the Director of Public Instruction, to the Chief Secretary to Government, Fort Saint George; dated Madras, 8th February 1866, No. 258.

In returning, herewith, the Statement of Printing Presses worked at the Presidency and in the Provinces during 1864-65, which has been forwarded to me by the Board of Examiners, I have the honor to request that the precise locality of each Press may be specified. Owing to the want of this information, many of the Circulars sent out from this office last year were returned, as the Presses to which they were addressed could not be found by the Postal Department.

The Commissioner of Police is requested to supply the information required in the foregoing letter, as regards the Presses worked in the Presidency, returning the Statement afterwards to the Director of Public Instruction.
