*Proceedings of the Madras Government, Public Department,
28th February 1866.*

No. 101. Read the following letter from the Accountant General, Madras, to the Chief Secretary to Government, Fort Saint George ; dated 20th February 1866, No. 272.

I have the honor to solicit that the Examiner of Claims may be authorized to pass a bill for the cost of a draft on London for £100, at the current rate of Exchange, the amount to be passed against " 23, Printing and Stationery."

2. I would not trouble the Government with this reference, as the provision in my Budget to meet the above sum is ample, but, in the absence of a sufficient voucher, the Examiner of Claims could not pass the bill.

3. This money is required for a Printing Press and types for this office, and, with the permission of Government, I propose to place the Bill of Exchange (after purchase), together with an Indent, in the hands of the Supervisor of the Government Press, and ask that gentleman to procure the articles from England from the manufacturers who supply the Gazette Press with printing materials.

No. 102. ORDER THEREON, 28th February 1866, No. 211.

The Governor in Council sanctions an expenditure, not exceeding £100, for the purchase of a Printing Press and types required for the Accountant General's Office.
