*Proceedings of the Madras Government, Public Department,
5th March 1866.*

No. 11. Read the following letter from the Principal Inspector General, Medical Department, to the Chief Secretary to Government, Fort Saint George; dated 27th February 1866, No. 78.

With reference to Mr. Cole's letter, dated 16th January 1866, No. 15, I have the honor to report that Assistant Surgeon Chipperfield has vacated his quarters at the General Hospital. Dr. Paul expects to do so in a few days.

2. I find upon further examination of the quarters that those vacated by Dr. Chipperfield will require a few alterations, entailing some expense, before they would be quite suitable as a residence for two Officers, whilst in Dr. Paul's none would be wanted.

3. Dr. Chipperfield's quarters will accommodate a considerably larger number of patients than Dr. Paul's; I would therefore suggest that they be occupied at once as a temporary Female Hospital, the other, Dr. Paul's, by the young Medical Officers doing duty at the General Hospital.

No. 12. ORDER THEREON, 5th March 1866, No. 224.
Sanctioned.
