Proceedings of the Madras Government, Public Department,
13th March 1866.

No. 38. Read the following letter from the Secretary to the Madras Central Committee for the Paris Exhibition, to the Chief Secretary to Government, Fort Saint George; dated Madras, 10th March 1866, No. 26.

Dr. Cleghorn, Conservator of Forests, having informed the Central Committee for the Paris Exhibition that, under the orders of the Right Honorable the Secretary of State for India, he is preparing a series of horizontal sections of the timber trees of Southern India, and as the exhibition of such a series of specimens at Paris would doubtless be highly appreciated, I am desired to suggest that inquiry be made from the Right Honorable the Secretary of State whether there would be any objection to the collection being sent to the Paris Exhibition with the Madras contribution of articles.

2. Its ultimate destination is, I understand, the Indian Museum.

No. 39. ORDER THEREON, 13th March 1866, No. 248.

Ordered, accordingly, that a reference be made on the subject to the Secretary of State for India.
