*Proceedings of the Madras Government, Public Department,
13th March 1866.*

No. 44. Read the following letter from the Principal Inspector General, Medical Department, to the Chief Secretary to Government, Fort Saint George ; dated Fort Saint George, 20th November 1865, No. 356.

In forwarding the accompanying copy of letter, No. 403, dated 25th ultimo, from Surgeon Paul, of the General Hospital, bringing to notice the omission of the name of the Writer in the Hospital Establishment laid down in the table printed with the Proceedings of Government, Public Department, No. 1016, dated 28th September 1865, I have the honor to request that the table, at page 19, may be corrected so as to include the pay of the Writer, at 35 Rupees per mensem.

From Surgeon, J. L. PAUL, M. D. and A. M., Surgeon of the General Hospital, to the Deputy Inspector General of Hospitals, Presidency ; dated Madras, 25th October 1865, No. 403.

In the Proceedings of the Madras Government, Public Department, under date 28th September 1865, containing the report of the Committee on the cost of the Civil Hospitals at the Presidency, with the order of Government thereon, I have the honor to submit that, in the statement showing the present and proposed scale of the Establishment of the General Hospital, no entry is made of the Hospital Writer.

2. This appears to be an oversight, as he is not entered in the present scale although he draws pay in the Civil Department. A portion of the duties now performed by the Hospital Writer will, in future, be performed by the Hospital Steward ; but the Returns are still very numerous and the correspondence considerable, so that his services cannot be dispensed with.

3. I have the honor to request you will make application, through the Head of the Department, for the insertion of his name into the proposed scale, as, in all probability, the Civil Auditor will not otherwise pass his salary.

No. 45. ORDER THEREON, 13th March 1866, No. 252.

The Governor in Council observes that the addition of the salary in question to the Committee's statement of the proposed establishment of servants at the Hospitals of the Civil Institutions at the Presidency will cause an increase in the authorized expenditure, and thus necessitate a reference to the Government of India.

2. He accordingly directs the Principal Inspector General to reconsider the statement, and report whether, by a revision of salaries, the slight increase, viz., Rupees 9-4-0, can be done away with.

(True Extract).

Chief Secretary.

To the Principal Inspector General, Medical Department.
