Proceedings of the Madras Government, Public Department,
14th March 1866.

Read the following papers:—

No. 57. Abstract of Petition from Modhusudana Satapasti and Somanadha Satapasti, of Chompadivipuram, Tekkali Taluq, Ganjam; dated 22nd July 1865.

State that, from the days of their ancestors, they have been living upon what they get by vaccinating the people of the Taluqs of Tekkali, Bommali, and Waddada.

2. Complain that the present Acting Collector of Ganjam has directed them to desist from vaccinating people in future.

3. Pray that, as this is their only means of obtaining a livelihood, orders may be issued to permit them to continue their profession of vaccinating.

No. 58. From the Principal Inspector General, Medical Department, to the Secretary to Government, Fort Saint George; dated 21st February 1866, No. 68.

I have the honor to acknowledge the receipt of Proceedings of Government, Petition Department, under date the 22nd ultimo.

2. I think every encouragement should be given to the petitioners to practice vaccination, either by supplying them free with vaccine lymph for private use, or, if found eligible and willing, they might be at once employed as temporary Vaccinators.

3. Should the Government approve of the suggestion, the necessary instructions will be issued to the General Superintendent of Vaccination.

4. The petition is herewith returned.

No. 59. ORDER THEREON, 14th March 1866, No. 262.

The Principal Inspector General, Medical Department, will direct the General Superintendent of Vaccination to exercise his discretion in regard to furnishing the petitioners with vaccine lymph, or employing them as Vaccinators.
