*Proceedings of the Madras Government, Public Department,
21st March 1866.*

No. 94. Read the following letter from the Superintendent, Government Central Museum, to the Chief Secretary to Government, Fort Saint George ; dated Madras, 27th February 1866, No. 35.

My friend, Dr. Neill, has informed me that the India House subscribed for forty copies of Gould's Birds of Asia, and that a copy could probably be had for the Museum if asked for.

2. As the work is an expensive one, His Excellency the Governor in Council will perhaps do me the favor to solicit, from the Right Honorable the Secretary of State for India, a copy for the Government Central Museum.

3. Should the request be granted, Messrs. Williams and Norgate will take charge of the published portion, and also the succeeding numbers of the work as they come out.

No. 95. ORDER THEREON, 21st March 1866, No. 287.

Ordered, accordingly, that application be made to the Secretary of State for India for a copy of the work referred to in this letter, for the Government Central Museum.

(True Extract).

Chief Secretary.

To the Superintendent, Government Central Museum.

My dear Mr. Lubbock

I have 17
parts of Gould's Birds of
Mexico. Heide has suggest-
ed that if the book is
given me I should get
the first 17th of change
in London for some
other of Gould's works
that would be useful.
I don't see any objection
to this - There is no
saying how far the
work will extend
