marks that, in the absence of a Probate or Letter of Administration, which does not appear to have been taken out, the sanction of Government should be obtained to the payment of the salary due to the late Native Surgeon Kanagaroyen to his widow, and directs that, in the meantime, the amount drawn be re-paid into the Treasury.

2. The circumstances in which the family is placed are so fully reported to Government in the correspondence noted in the margin, that I need hardly enter into any further details. The widow is now empty-handed and unable to re-pay the amount drawn by her, and requests sanction of Government for the payment already made. The original petition received from her, with its enclosure, is herewith forwarded, for the favorable consideration and orders of Government.
