Proceedings of the Madras Government, Public Department,

21st March 1866.

No. 102. Read the following letter from the Superintendent of Government Gas Works, Fort Saint George, to the Chief Secretary to Government, Fort Saint George; dated 16th March 1866, No. 15.

With reference to my report to Government, and Order thereon, No. 83, dated 26th January 1866, I have the honor to state I have been able, through Messrs. Short & Co., to obtain proper burners for Coal Gas from Calcutta. Messrs. Short & Co.'s bill is herewith enclosed, together with their note requiring immediate payment. I have, therefore, paid their bill, and have the honor to request Government will be good enough to sanction the re-payment to me of this amount, viz., Rupees 137-7-9. The Government allowance of Rupees 250 per mensem, owing to the high price of oil, &c., is entirely absorbed in the monthly expenditure at the Gas works.

From Messrs. SHORT & Co., to the Superintendent of Government Gas Works; dated Madras, 15th March 1866.

We will feel obliged by your favoring us with a Cheque for the amount of the accompanying Invoice, as our people in Calcutta had to pay cash down to the Oriental Gas Company for the goods supplied.
