FROM

A. J. ARBUTHNOT, Esq.,

Chief Secretary to the Government of Fort Saint George,

TO

THE SECRETARY TO THE GOVERNMENT OF BENGAL.

SIR,

In forwarding to you the accompanying copy of a letter from the Accountant General, connected with the expenses incurred on account of sick and wounded Seamen and Mariners of Her Majesty's ships treated in the General Hospital in this Presidency, I am directed by His Excellency the Governor in Council to inquire what is the practice at Calcutta with regard to the adjustment of such charges.

I have the honor to be,

Sir,

FORT SAINT GEORGE,

24th March 1866.

Your most obedient Servant,

Chief Secretary.

From the Accountant General, Madras, to the Chief Secretary to Government, Fort Saint George; dated 16th February 1866, No. 270.

Book and Adjustment Department.

I have the honor to forward, herewith, an account showing the names and number of sick and wounded Seamen and Marines of Her Majesty's ships, who have been received into, and victualled in, the General Hospital, Madras, during the last year, amounting to Rupees 181-6-0, and to request, that, if the amount in question is to be recovered from Her Majesty's Imperial Government, with reference to the Order of Government, No. 1016, dated 28th September 1865, Public Department, the statement may be forwarded to the Secretary of State for India, for that purpose.

2. This statement was forwarded to me by the Examiner of Accounts, Medical Department, Madras, with his letter of the 29th ultimo, but as this was the first return of the kind sent to this office, I requested him to ascertain and inform me, how previous similar returns had been disposed of, and why the present one was sent to this office. In reply, he forwarded to me a letter, in original, to his address from the Officiating Secretary, Principal Inspector General, Medical Department, intimating that previous returns of seamen of the British service treated in the General Hospital, had been simply recorded in the office, but that Government having recently authorized the scrutiny of Civil Hospital expenditure, and as a statement of all monies recovered from hospital stoppages being now sent to the Examiner of Accounts, Medical Department, it was thought proper to transfer the return to this Officer.

3. In the event of the Government forwarding the statement to the Secretary of State for India, for recovery, the amount thereof, namely, Rupees 181-6-0, will be adjusted in the books of this office by debiting London, and crediting the proper head of account.
