General Department.

With reference to Government Resolution, No. 1789, dated 4th October last, I have the honor to forward a registered packet containing gold, silver, and copper coins, as detailed in the accompanying list, for the use of the Madras Museum.

2. No. 14 on the list (Akburree) is highly appreciated by the Mahomedans, in consequence of the inscription on it, extracted from the Koran. Those from the Hyderabad Collectorate, Nos. 67 to 85, are specimens of coins which were formerly current in that Collectorate; Nos. 69, 78, 80, 81 and 83 are essentially Sindee; the remainder are foreign and were merely used in commerce.

3. No. 86 is an Austrian Dollar, and is commonly used throughout Khelat and in Mekran.

4. I expect a small collection of coins from the Shikarpoor Collectorate, on receipt of which they will be forwarded to Government, for transmission to the Museum at Madras.
