Proceedings of the Madras Government Public Department.
7th April 1866.

No. 29. Read the following letter from the Superintending Engineer, 5th Division, to the Secretary to Government, Public Works Department, Fort Saint George; dated Cuddalore, 21st February 1866, No. 83.

I have the honor to state that an Estimate of Rupees 210, for the repair of the Civil Dispensary at Salem, has been made several months, but it has not been forwarded for sanction, as, by the Order of Government of the 1st of May 1865, No. 451, charges for the repair of Dispensaries are to be met from the Dispensary Funds.

2. The state of the building has been brought to my notice more than once, and the Collector, to whom I wrote on the subject, states the funds of this Dispensary will not admit of the repairs being met from them, and he thinks it will not be possible to raise sufficient funds at Salem.

3. I request I may be informed, whether, under these circumstances, the building is to remain in its present state until funds can be raised for its repair, or whether the Government will sanction the repairs being made at the public expense from the allotment of the District.

Referred to the Public Department.

FORT SAINT GEORGE,
