*Proceedings of the Madras Government, Public Department,
18th April 1866.*

No. 70. Read the following letter from the Secretary to the Board of Examiners, to the Chief Secretary to Government, Fort Saint George; dated 9th April 1866, No. 165.

I am directed by the Central Committee for the examination of Assistants to lay before Government the result of the first half-yearly examination held, on the 21st and 22nd February last, at the several stations marginally noted.

Berhampore.
Rajahmundry.
Bellary.
Mangalore

Calicut.
Salem.
Madura.

2. Twenty-seven gentlemen presented themselves for examination, five by the second or higher, and twenty-two by the first or lower, standard.

3. The following gentlemen are considered to have qualified themselves according to the two standards referred to. Their names are placed in order of merit :—

Second or Higher Standard.

Mr. H. Wigram.

„ J. W. Best.

First or Lower Standard.

Mr. G. McWatters.

„ F. H. Wilkinson.

„ C. A. Galton.

„ H. W. Bliss.

„ C. S. Crole.

„ J. C. Hughesdon.

„ J. Cameron.

4. I am directed by the Central Committee to recommend that the extra allowance of 50 Pagodas per mensem be granted, from the date of their examination, to those gentlemen who have passed according to the second standard.

5. I am further desired to take this opportunity of bringing to the notice of

* “ We think it is to be regretted that gentlemen who are not the least prepared to pass the examination should travel considerable distances at the public expense, to the interruption of the ordinary duties of themselves and of the examiners.”

Government a remark made by the Local Committee at Bellary*, which the Board consider well worthy of attention, and in reference to which they have prepared

the subjoined Statement. This shows that of 27 gentlemen who attended at the examination under report, 15 were entitled to travelling allowance for so doing, amounting in the aggregate to Rupees 1552-0-0, and that of these gentlemen only 9 have reached the prescribed standard, so that no less than 18 will have to attend subsequent examinations, and will, again, in all probability, put the State to some expense for a similar allowance.

6. The Committee would suggest, for the consideration of Government, whether, with a view of curtailing as much as possible this annual charge, it would not be advisable to determine that travelling allowance be passed on only one occasion for each standard of examination, leaving it to the Assistants themselves to defray their travelling expenses should they find it necessary to appear more than once according to each standard.

No. 71. ORDER THEREON, 18th April 1866, No. 390.

The Right Honorable the Governor in Council directs that the additional allowance of Rupees (175) one hundred and seventy-five per mensem be passed, to Messrs. H. Wigram and J. W. Best, from the date of their examination.

Proceedings of the Madras Government, Public Department,
18th April 1866.

2. His Excellency the Governor in Council approves of the Board's suggestion that travelling allowance shall be passed to Assistants on only one occasion of their going up for each standard of examination. The Board will, accordingly, issue a Notification to this effect.
