*Proceedings of the Madras Government, Public Department,
18th April 1866.*

No. 72. Read the following letter from the Principal Inspector General, Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 20th March 1866, No. 108.

Owing to the dearness of all articles of consumption, I have received more than one application from Officers of the Medical Department, on behalf of Dressers employed in the Civil Department, with a view that the sanction of Government may be solicited for compensation in lieu of rice for these servants.

2. I have the honor to state that this indulgence is granted to Dressers in the Military Department attached to Fixed Establishments, by Section 9, paragraph 51, of the Pay and Audit Regulations; and as Dressers employed in the Civil Department, as a rule, are in the receipt of the same pay and allowances, and the dearness of living is equally felt by both classes, I have the honor to submit the case of the Civil Dressers, to equal indulgence, for the favorable consideration of Government.

No. 73. ORDER THEREON, 18th April 1866, No. 391.

The Right Honorable the Governor in Council is unable to accede to this proposal. In His Excellency's opinion, there is no valid reason for extending to Dressers employed in the Civil Department a privilege not granted to other Civil Subordinates.
