Proceedings of the Madras Government, Public Department,
25th April 1866.

Read the following papers:—

No. 103. From the Private Secretary to the Right Honorable the Governor, to the Chief Secretary to Government, Fort Saint George; dated Madras, 12th April 1866.

I have the honor to request that the following items may be passed to me in advance, for reasons stated below:—

	RS.	A.	P.
1. Balance on 1st April of Contingent Fund for 1865-66.	2,329	4	10
2. Balance of Lighting Fund on 1st April 1865-66...	387	14	9
3. Furniture allowance, 1866-67.	5,000	0	0
4. Tour Fund, "	5,000	0	0
5. Twelve months' Lighting Fund, from 1st May 1866 to 1st May 1867, at 500 Rupees per mensem...	6,000	0	0
Total...	18,717	3	7

Items 1, 2, and 5. During the last three or four months the price of oil has risen, so that it is impossible to light Government House on 500 Rupees a month, and the consequence is that the lighting bills for December, January, February, and March, have been considerably in excess of the sanctioned amount, leaving only Rupees 387-14-9 to meet the current month's expenses on that head; and it is to

adjust this account, and to provide light clothing for the servants, that the advance of the balance of the Contingent

Fund for 1865-66 is solicited. The advance of 6000 Rupees for lighting Government House during the year 1866-67 is requested, in order to enable a contract for the supply of coconut oil to be made direct with a Merchant at Cochin, to meet the advances on that account, and to prevent the recurrence of the over-drawing of the monthly allowance.

Item No. 3. This is requested to enable a number of absolute necessities, such as house linen, crockery, kitchen utensils, and glass, to be purchased, and to meet the charge of altering and renewing punkahs and other necessary articles of furniture.

Item No. 4. This is to meet the cost of the erection of huts, and the purchase of warm clothes for the servants. The last supply was purchased five years ago, and is quite worn out.

Referred to the Accountant General, for early report.
