*Proceedings of the Madras Government, Public Department,
2nd May 1866.*

No. 26. Read the following letter from the Municipal Commissioners for the Town of Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 27th April 1866.

We have the honor to report, with reference to the Order of Government, dated 14th July 1863, No. 817, that a further portion of the Royapooram Coopum has been cleared of buildings, with the exception of one shed, the owner of which has, for upwards of a year, persistently refused to remove the same on payment of a liberal compensation for the materials. We are, therefore, obliged to solicit Government to put in force the provisions of Act VI of 1857, and Section 82 of Act IX of 1865, and take the building for public purposes, to which end we submit the required estimate, plan, and specification.

No. 27. ORDER THEREON, 2nd May 1866, No. 457.

Hindrances having been found to exist to the immediate acquisition of the land and building, referred to in the annexed Declaration, by purchase from the parties interested therein, the Governor in Council resolves, under the Provisions of Section 2 of Act No. VI of 1857, and Section 82 of Act IX of 1865, to order that the said land and building be taken possession of on the part of Government, and applied to the purpose for which they are needed, leaving claims for compensation for the land and building to be determined as provided in the said Acts; and, further, to appoint the Collector of Madras, in communication with the Municipal Commissioners, to carry this Order into execution, and to execute any award, and to do all things necessary for completing the business of taking and paying for the said land and building, and for settling all disputes concerning them.
