*Proceedings of the Madras Government, Public Department,
7th May 1866.*

No. 34. Read the following letter from the Accountant General, Madras, to the Chief Secretary to Government, Fort Saint George; dated 1st May 1866, No. 5.

Book and Adjustment Department.

Referring to my letters, Nos. 354 and 377, dated 13th and 25th April 1866, upon which the Orders of Government marginally noted have been passed, I have the honor to observe that it appears

to me quite unnecessary for the Natal Government to make special bill remittances to their Emigration Agent here, on account of cooly family remittances, as the families on whose account remittances are so made can be as well paid by Mr. Gahan, without any bill. The Natal Government should (as now) send their Agent a list of the families, and amounts to be paid to each, and simply direct him to pay the parties, and charge it in his general accounts with the Colony. By this system, constant references to Government will be avoided, and entries for petty sums in the public accounts, saved, while the coolies' families will get their money earlier than now. I would suggest that Mr. Gahan be requested to submit this proposition to his Government, for their sanction.

2. I also request permission to grant the Natal Emigration Agent supply Bills at par, when required by him for remittance purposes, in the same manner as the Mauritius Emigration Agent now receives Bills, as sanctioned in the Order of Government marginally noted.

No. 1296, dated 25th November 1863.

No. 35. ORDER THEREON, 7th May 1866, No. 462.

Ordered that the foregoing letter be communicated to the Officiating Emigration Agent for the Government of Natal, and that he be requested to submit to that Government the proposition contained in the first paragraph.

2. Ordered, also, that the Accountant General be authorized to grant the Natal Emigration Agent supply Bills at par, when required for the purpose of remitting amounts to the families of emigrants.
