Proceedings of the Madras Government, Public Department,
31st May 1866.

No. 173. Read the following letter from the Registrar of the High Court of Judicature at Madras, Appellate Side, to the Chief Secretary to Government, Fort Saint George; dated Madras, 26th May 1866, No. 31.

The Accountant General has intimated to the several Judicial Officers that, with reference to the Order of Government, dated the 3rd November 1862, No. 1295, to which his attention has been recently drawn by the Government,* he will be compelled to reject all future charges for

the purchase of stationery. Hitherto, although obtaining the bulk of their supplies from the Stationery Office on Indents, the Civil Judges and Principal Sudder Ameens have been permitted to provide themselves with a few country articles from the local markets. District Moonsiffs procured all their supplies locally, and for this purpose they have been allowed a fixed sum of Rupees 20 per mensem (Government Order, 18th August 1862, No. 1345). As some time will elapse before the Courts can obtain from the Stationery Office the articles hitherto purchased by them in the local markets, I am directed to suggest that the Accountant General be instructed to pass such charges as heretofore, until the requisite supplies can be obtained from the Stationery Office, or, if it be considered necessary to fix a date, until the 30th of September next. Some of the Courts are about to adjourn for two months, and it would not be safe to fix an earlier date.

No. 174. ORDER THEREON, 31st May 1866, No. 548.

Under the circumstances represented in the foregoing letter, the Accountant General will pass, as heretofore, charges that may be incurred by Judicial Officers in purchasing articles of Stationery in the local markets. This arrangement will be allowed to continue up to the 30th September next, by which time the requisite supplies from the Stationery Office may be expected to reach the several Civil Courts.
