No. 62. Read the following letter from Assistant Surgeon G. E. WHITTON, M. B., B. A., Civil Surgeon, Cochin, to the Deputy Inspector General of Hospitals, Southern Division; dated Cochin, 26th December 1865, No. 108.

I have the honor to request that you will be good enough to submit my application to Government, to be permitted to draw Military pay and allowances, instead of Civil pay and allowances.

2. I find the Acting Deputy Accountant General will pass my abstract for Rupees 360-10-10 only, and will not pass the allowances of Rupees 50 for the Civil Dispensary, and Rupees 40 for the Civil Station of Trichoor, which have hitherto made up a part of the pay of the Civil Surgeon of Cochin; so that one of the hardest worked appointments in the Presidency will receive only Rupees 360-10-10, whilst the unemployed pay is 433-10-2. This, I humbly think, appears to be an inconsistency not contemplated by Government. I shall, therefore, thank you to bring the matter before the consideration of Government, in order that I may be allowed to draw the full rate of Military pay, instead of Civil pay.
