Proceedings of the Madras Government, Public Department,
12th June 1866.

No. 67. Read the following letter from the Superintendent of Marine, to the Acting Chief Secretary to Government, Fort Saint George; dated Madras, 6th June 1866, No. 2172.

I have the honor to acknowledge receipt of the Proceedings of Government, of the 30th ultimo, No. 544, directing that Hospital charges on account of Seamen and Marines of Her Majesty's Naval Service shall be adjusted by the Pursers (Paymasters) of the vessel to which they belong, and to state that this can be effected when they are received on board again before the departure of the vessel.

It has, however, more than once occurred that men have been discharged here as Invalids to be sent Home, and have remained at Hospital till opportunity occurred of providing them with passage, the vessel to which they had belonged in the meantime leaving the port. On such occasions, I presume, the claim for expenses incurred must, as hitherto, be made on the Admiralty, through the Secretary of State for India.

No. 68. ORDER THEREON, 12th June 1866, No. 587.

In the case of Seamen and Marines of Her Majesty's Naval Service who may be discharged at this Port as Invalids and treated in the General Hospital, the usual course must be adopted for the recovery from Her Majesty's Imperial Government of the expenses incurred on their account.
