Proceedings of the Madras Government, Public Department,

13th June 1866.

Read the following papers:—

No. 71. From the Officiating Principal Inspector General, Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 25th May 1866, No. 184.

The Dresser attached to the Head Assistant Collectorate at Tuticorin has applied for a portion of the allowances recently drawn by Dr. Reed, for the Medical charge of the Public Establishment at that station.

2. As the Dresser has the whole of Dr. Reed's work, in addition to his own, I beg to propose, for the sanction of Government, that an extra allowance of Rupees 20 per mensem (20 per cent. on Dr. Reed's pay) be granted to the Dresser, with effect from date of Dr. Reed's departure.

No. 72. From the Officiating Principal Inspector General, Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 5th June 1866, No. 204.

I have the honor to state, for the information of Government, in reference to your Memorandum, No. 182, of the 1st instant, that I consider the combined duties of the Dresser at Tuticorin to be heavier than those ordinarily assigned to other Dressers with separate Medical charges.

2. The Head Assistant Collector of Tinnevelly, in recommending the Dresser for extra remuneration, states that the additional duties imposed upon the Dresser comprise medical attendance upon the "Police, Telegraph officials, Salt Deputy Collector, Sea Customs, and Master Attendant's Establishments. For these services, Dr. Reed received monthly allowance of Rupees 100. My Dresser performs the same duties, in addition to his own, and receives no compensation for it.

"His time is now so fully occupied in attending to the various cases arising in the above Departments, that he is virtually precluded from any private practice.

"Tuticorin is a most expensive place to live in. From my own experience, I find all articles 35 per cent. dearer than at Madras."

No. 73. ORDER THEREON, 13th June 1866, No. 589.

The Governor in Council sanctions an addition of twenty (20) Rupees per mensem, from the source proposed, to the pay of the Dresser attached to the Establishment of the Head Assistant at Tuticorin, for the performance of the Medical duties which have hitherto devolved on Dr. Reed at that station. The extra allowance will be passed to the Dresser from the date of Dr. Reed's departure from Tuticorin.

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letters
from the Offg. Principal Inspector
General, Medical Department.

(Core enters 26th May and 5th June 1866. ~~1874-2004~~)

Order thrown 13 June 1868 8:589.

The Governor in Council sanctions an addition of Twenty /20/ Rupees per mensem, from the source proposed, to the pay of the Doctor attached to the Establishment of the Head Assistant at Anticorin, for the performance of the medical duties which have hitherto devolved on Dr. Perch at that station. The extra allowance will be passed to the Doctor from the date of Dr. Perch's departure from Anticorin.

How are the several reports now
allotted to by the Treasury to pay,
when the H. A. Com. moves out - on
Circuit - out - into the Saloon? I
conclude that then the H. A. Com.
must be content to leave the
H. A. Com. behind him.
