Proceedings of the Madras Government, Public Department,
13th June 1866.

No. 74. Read the following letter from the Secretary to the Madras Central Committee for the Paris Exhibition, to the Chief Secretary to Government, Fort Saint George; dated Madras, 30th May 1866, No. 104.

I have the honor, by desire of the Central Committee for the Paris Exhibition of 1867, to request that the Government may be moved to address the Conseiller d'Etat Commissaire General, suggesting that he should interest himself in proposing to the Directors of the Messageries Imperiales that the issue of return Tickets, at reduced rates, between the months of March and October 1867, be accorded to visitors from India to the Exhibition.

2. Many of those who are now gratuitously exerting themselves in behalf of the Exhibition would, probably, be enabled to afford themselves the gratification of seeing it, if the cost of passage to and fro were to be brought within their means.

No. 75. ORDER THEREON, 13th June 1866, No. 590.

The Governor in Council does not consider the intervention of the Government desirable in a matter of this nature. The Committee are at liberty themselves to address the British Consul at Paris.

For Order

I am not quite
sure that this is
just the thing for

I had to do with this

Lam Exhibition Comtee.
but on the contrary
I feel rather doubtful
of the propriety of the
application.

I am directed by His
Excellency the Governor in Council
to forward to you the accompanying
copy of a letter from the
Madras Central Committee for
the Paris Exhibition, requesting
that it might be suggested to
the Directors of the Messagerie
Impériales to issue & return
tickets at reduced rates between
the months of March and October
1867 to persons in India who may
be desirous of visiting the Ex-
hibition.

2 Any assistance that you
may afford in obtaining a concession
of the privilege here sought would
be highly appreciated.

I am confident

~~appreciated by the Madras~~
~~Government~~
the main community
and would probably
^{in the} many to visit from
Exhibition & Capital
who might then
not be deterred
by the heavy expense
of such a trip.
