Proceedings of the Madras Government, Public Department,
13th June 1866.

No. 76. Read the following letter from the Secretary to Madras Central Committee for the Paris Exhibition, to the Chief Secretary to Government, Fort Saint George ; dated 30th May 1866, No. 105.

I have the honor, by desire of the Central Committee for the Paris Exhibition of 1867, to request that you will lay before the Government a suggestion that the Right Honorable the Secretary of State for India may be moved to sanction, specially, an extension of the usual privilege leave to those Civil and Military Officers who are entitled to it, to the extent of four months, between February and November 1867, to enable many of those who may have gratuitously aided the Exhibition to visit it, without serious loss of service and allowances.

2. The Committee would submit that the boon would be very great to those who could avail themselves of it, while it would be understood that Officers would arrange, as in all cases of privilege leave, for the performance of their duties, on their own responsibility, and without extra expense to the State.

No. 77. ORDER THEREON, 13th June 1866, No. 591.

The Governor in Council is not prepared at present to adopt the proposal of the Committee.

Office of the Madras Cent. Committee
for the Paris Exhibition of 1867
30th May 1866

From

Major J. Michael
Secretary, Madras Cent. Committee Paris Exhibition

To

The Honorable. A. J. Arbutnot
Chief Secretary to Government
Fort St George

Sir,

I have the honor, by desire of the
Central Committee for the Paris Exhibition of
1867, to request that you will lay before the
Government a suggestion that The Right
Honorable The Secretary of State for India
may be moved to sanction specially an
extension of the usual privilege leave
to those Civil and Military Officers who
are entitled to it, to the extent of four months
between February and November 1867, to enable
many of those who may have gratuitously
attended the Exhibition to visit it without
serious loss of service and allowances.

The Committee would submit that
the boon would be very great to those
who could avail themselves of it, while
it would be understood that Officers so
employed would arrange, as in all cases of foreign
leave, for the performance of their duties,
and incur no responsibility, and with
no extra expense to the State.

I have the honor to be

Sir,

For Order.

I do not propose to see
how this can be carried
out. The privilege must
of course be conceded
in all the Presidencies
if conceded here. The
qualification - gratuitous
aid to the Exhibition - will
be very easily acquired
and the arrangements
for the discharge
of the duties of the absence
is opposed to Civil rules
which do not admit of
private arrangements
in such cases.

I am directed to submit,
for the consideration of the Right
Honorable the Governor General
in Council, the request preferred
in the accompanying letter from
the Madras General Committee
for the Exhibition to be held
at Paris in April 1867, viz: that
the usual privilege leave for which
Civil and Military Officers are
entitled, may, as a special case,
be extended to four months between
February and November 1867
to enable those who may have
gratuitously aided the Exhibition
to visit it without serious loss of
allowances, - it being understood
that those Officers who may
avail themselves of the boon,
