*Proceedings of the Madras Government, Public Department,
15th June 1866.*

No. 84. Read the following Proceedings of the Board of Revenue, dated 6th June 1866, No. 3884.

Read letter from the Collector of the Kistna District, to the Secretary to the Board of Revenue; dated Masulipatam, 23rd May 1866, No. 159.

In forwarding, herewith, copy of a letter from the Acting First Assistant Accountant General, No. 59, dated 3rd instant, requiring special sanction of Government for the charge of Rupees 10-5-4, at Rupees 16 a month, for twenty days in December 1865, on account of the horse allowance of the Conservancy Superintendent, I have the honor to state that, after the cyclone, the Government sanctioned a certain monthly sum for expenditure on the maintenance of a Conservancy Establishment in the Town of Masulipatam. After a time, it was found that some reduction of establishment was possible, and the Government then sanctioned the expenditure of the savings in the employment of coolies to clear the debris of fallen houses and trees, and to fill in holes full of stagnant water, which were a source of never-ending nuisance. It was found that the Superintendent could not efficiently supervise the establishment without a pony. A horse allowance, at 16 Rupees a month, was, accordingly, paid out of these savings. The Accountant General has now disallowed the charge without special sanction, and I request the Board will obtain sanction to pay the sum disallowed, and to continue the allowance, at the reduced rate of 10 Rupees a month, from the date on which it was stopped.

2. The duties of the Superintendent is so extensive, that he cannot efficiently do his work without a pony. With that aid, his superintendence has been most satisfactory.

2. It is requested that it may be obtained without delay, and transmitted to this office.
