

Proceedings of the Madras Government, Public Department,

2nd July 1866.

No. 1. Read the following letter from Captain J. MITCHELL, Superintendent of the Government Central Museum, Madras, to the Acting Chief Secretary to Government, Fort Saint George; dated Madras, 28th June 1866, No. 132.

I have the honor to acknowledge the receipt of the Medals and Clasps below mentioned, forwarded to me with Government Order of 22nd June 1866, No. 625.

2. I am very sorry to be obliged to add that the Medals are all more or less defaced, in consequence, apparently, of the careless manner in which they were put up. Instead of being carefully enclosed in paper, as they should have been, they were thrown loosely into a tin-box. Several of the medals have steel suspension bars, and the very natural result of this mode of sending them is that the medals are scored and rubbed, and their original beauty has vanished.
