INDIA OFFICE,
London, 9th March 1866.

TO HIS EXCELLENCY THE RIGHT HONORABLE THE GOVERNOR GENERAL
OF INDIA IN COUNCIL.

SIR,

It has been brought to my notice that, in the year 1859, the Government of the North-Western Provinces caused to be printed a thousand copies of a work prepared by Dr. Hall, now Librarian to this Office, entitled "a Contribution towards an Index to the Bibliography of the Indian Philosophical System," but that, although one hundred copies were given to the Asiatic Society of Bengal, no copies have been sent to this office.

2. Upon all occasions when valuable Oriental Works are published by any of the Indian Governments, or patronized by means of a large subscription, it is desirable that copies should be sent to this country, for the use of the Library of this office, and also for distribution, in cases where it may be considered advisable, amongst various learned persons and Societies.

3. I have, therefore, to request that such number of copies of the work above referred to, and of any other works in Oriental Literature which may have been lately subscribed for by your Government, and of which copies remain available, may be sent Home, as your Government may consider likely to be advantageously disposed of in the manner indicated above.

I have, &c.,

(Signed) DE GREY AND RIPON.

ORDERED that a copy of the foregoing be forwarded to the Home Department, for disposal.

(A true Extract).

(Signed) E. H. LUSHINGTON,
Secy. to the Govt. of India.

Copy forwarded to the Government of Fort Saint George, for information and guidance.

No. 4. ORDER THEREON, 2nd July 1866, No. 659.

It is observed that copies of all Oriental Works, either published, or subscribed for, by the Madras Government, are invariably forwarded to the India Office.
