DEPARTMENT.

G.O. No.	669	Press Mis.
Dated	4-7-	1866

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Department,
4th July 1866.*

No. 23. Read the following letter from the Principal Inspector General, Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 7th June 1866, No. 207.

No. 47, dated 31st May 1866.

With reference to the enclosed communication from the Accountant General, I have the honor to state that the Medical Officers in charge of Government Dispensaries in Madras, for the most part, act as Secretaries to the local Committees of Management, in addition to superintending the medical practice of the Institutions.

2. As the duties are practically similar to those for which the allowance has been granted to Medical Officers in Bengal, I think the Order of the Government of India, as per margin, should be applied to Medical Officers in charge of the Madras Dispensaries.

Proceedings of Madras Government, Public Department,
dated 5th April 1866, No. 341.

From the Accountant General, Madras, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 31st May 1866, No. 47.

Post Audit Department.

The Order republished in the Proceedings of Government, No. 341, dated 5th ultimo, gives to Civil Surgeons who have chosen Military pay the "salary attached to the Office of Secretary to a Charitable Dispensary." Such a post is unknown in this Presidency; but, under the above Order, Surgeons so situated are claiming the pay formerly given with Civil allowances for the charge of a Civil Dispensary. I have the honor to ask whether they are to be regarded as Secretaries to these Institutions, and so entitled to the allowance under the above orders.

Forwarded through the Principal Inspector General, Medical Department, for his remarks.

No. 24. ORDER THEREON, 4th July 1866, No. 669.

As it appears that the duties of Medical Officers in charge of Government Dispensaries in this Presidency are practically similar to those of Medical Officers having the superintendence of kindred Institutions in Bengal, the Governor in Council considers that the Resolution, referred to, of the Government of India applies equally to Madras.
