*Proceedings of the Madras Government, Public Department,
16th July 1866.*

Read the following :—

No. 87. Letter from the General Superintendent of Vaccination, to the Secretary to the Principal Inspector General, Medical Department, Fort Saint George; dated Madras, 25th June 1866, No. 298.

I have the honor to bring to the notice of the Principal Inspector General, Medical Department, the liberality of the following gentlemen.

2. His Highness the Rajah of Vizianagram has been pleased to print 1000 copies of my Lecture on Vaccination in Teloogoo, for gratuitous distribution at Vizianagram, and other Teloogoo-speaking Districts in the Madras Presidency.

3. The thousand copies are now ready, and I beg to submit, with this letter, six copies of the Lecture; and, agreeably to His Highness' request, one half will be forwarded to D. F. Carmichael, Esq., Collector of Vizagapatam, for distribution, and the remainder will be distributed through this Department.

4. G. F. Fischer, Esq., the Contractor of the Shevagunga Zemindary, has published a second edition of one thousand copies of my Lecture in Tamil on Vaccination, for the gratuitous distribution of the same at Shevagunga, and other Tamil-speaking Districts in the Madras Presidency. Six copies of this Lecture, I beg to submit, herewith. Five hundred copies have been forwarded to Mr. Fischer, and the remainder is being distributed through this Department.

5. Mr. Fischer has also engaged to increase the Staff of his Vaccinators from one to four, with the view of carrying on vaccination more effectually in his Zemindary.

6. I respectfully trust that the liberality and enlightenment displayed by these gentlemen will meet with due recognition from Government, as an incitement to others to follow such excellent examples.
