Proceedings of the Madras Government, Public Department.

2nd August 1866.

No. 9. Read the following letter from the Accountant General, Madras, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 21st July 1866, No. 121.

Book Department.

In submitting, herewith, the papers noted in the margin, relative to an application from Lieutenant Colonel G. H. Saxton, in charge of the Ganjam and Orissa Topographical Survey, to be allowed, while at Ootacamund, to draw monthly advances of about Rupees 4000, from the Coimbatore Treasury, for the pay of his establishment, in anticipation of cheques from the Presidency Paymaster, Calcutta, which, it appears, do not usually reach Lieutenant Colonel Saxton within the month in which the salaries are due, I have the honor to state that similar advances were, in December last, authorized by this Office, at the instance of the Military Accountant, Fort William, and that I am not aware of any objection to a compliance with the present application. The amounts advanced will be charged on Lieutenant Colonel Saxton's receipts to the Military Department, Bengal Presidency, and intimated in due course to the Military Accountant, Calcutta.

From the Military Accountant, to the Accountant General, Madras; dated Fort Saint George, 9th July 1866, No. 665.

I have the honor to transfer to you, for disposal, a letter (in original), No. 53, dated 2nd July 1866, and enclosures, received from Lieutenant Colonel G. H. Saxton, in charge of Ganjam and Orissa Survey, requesting an advance of Rupees 4000 month by month.

2. Advances made from the Civil Treasuries to Lieutenant Colonel Saxton appear to be susceptible of adjustment by yourself, in communication with the authorities in Bengal, and not by the Military Department.

3. Copy of letter, No. 4250, dated 19th April 1866, from the Comptroller General of Accounts is forwarded for information.

From Lieutenant Colonel G. H. SAXTON, in charge of Ganjam and Orissa Survey, to the Military Accountant, Fort Saint George; dated Ootacamund, 2nd July 1866, No. 53.

I have the honor to enclose correspondence with the Calcutta Military Paymaster, and, with reference thereto, to request the favor of your giving authority to the Coimbatore Treasury to advance on my receipt, month by month, about 4000 Rupees, in anticipation of the Monthly Pay Cheque for my establishment. By looking at the dates on the Paymaster's Memorandum, it will be seen that the Pay Cheque cannot reach this office soon within the month. I am now without pay for May, and all my Surveyors just returned from the field. I have funds from my last cash credit, or should be in great difficulty. If you consider it necessary, I will address the Government, through the Military Secretary, but trust your own authority will suffice. I shall be obliged by your also intimating to the Coimbatore Treasury that this office is allowed Priv. Remittance Transfer Receipts without premium.

From Lieutenant Colonel G. H. SAXTON, in charge of Ganjam and Orissa Survey, to the Presidency Paymaster, Calcutta; dated 2nd June No. 47.

As my party is recessing at Ootacamund, I have the honor to request the favor of your making some arrangement by which I could draw pay, in whole, or part each month, in anticipation of the remittance through your usual cheque, which cannot reach me till late in the month. If you approve of the suggestion, I would apply to the Madras Government for permission to draw from Coimbatore Treasury, after the 1st of each month, say 4000 Rupees, on my own responsibility and receipt, in anticipation of the pay cheque, on receipt of which the advance to be adjusted. Unless some such arrangement is made, I anticipate considerable inconvenience to my large establishment.

MEMORANDUM.

Lieutenant Colonel Saxton is informed, in reply to his letter, No. 47, of the 2nd June 1866, that, under the circumstances adverted to, the undersigned has no objection to his applying to the Madras Government for orders to take up advances monthly from the Coimbatore Treasury. Captain Battye, however, requests that Lieutenant Colonel Saxton, when taking up advances, will not fail to note, at foot of his Establishment Pay Abstracts, the amount, and particulars of the amount he draws every month.

CALCUTTA, the 18th June 1866.

(Signed) H. D. BATTYE, Captain,
Offg. Presidency Paymaster.

From the Comptroller General of Accounts, to the Military Accountant, Madras; dated Calcutta, 19th April 1866, No. 4250.
