*Proceedings of the Madras Government, Public Department,
2nd August 1866.*

No. 11. Read the following letter from the Acting Government Solicitor, Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 28th July 1866, No. 441.

I have the honor to inform you that it has been brought to my notice by Mr. Charles Bill, who is the present occupant of "Bishopdown" at Ootacamund, that the buildings are in a very dilapidated condition, and in need of repairs without delay.

2. Mr. Bill is the sub-tenant of Colonel F. Angelo, who holds the property under a Lease from Government, for a term of five years from May 1863.

3. The Lease is in the custody of my Firm, on behalf of Colonel Angelo; and the provision therein contained, as regards repairs, &c., is as follows:—"And the said Secretary of State doth hereby for himself and his Successors covenant with the said Frederick Angelo, his Executors, Administrators and Assigns, that he the said Secretary of State his Successors and Assigns shall and will at all times during the continuance of this present demise and at his and their own proper costs and charges, do and execute or cause to be done and executed in and about the said messuage or dwelling house or the out-offices stables godowns and other buildings connected therewith all such repairs, reparations and amendments as shall or may be necessary or requisite for keeping the said demised premises in tenantable order and condition."

4. I would suggest, under the circumstances, that the Collector of Coimbatore be at once instructed to have the premises inspected, and report to Government as to such repairs as he may consider necessary.

No. 12. ORDER THEREON, 2nd August 1866, No. 762.

Orders will be issued in the Public Works Department to the Executive Engineer, to inspect and report on the present state of the Bishopdown property, and to submit an estimate of any repairs that may be necessary.
