Proceedings of the Madras Government, Public Department.

3rd August 1866.

No. 19. Read the following letter from C. W. READE, Esq., Collector, in charge of the Special Agency Department at Cuddalore, to the Acting Chief Secretary to Government, Fort Saint George; dated Cuddalore, 18th July 1866, No. 184.

I have the honor to solicit the early orders of Government on my letter of the 9th ultimo, No. 153, requesting instructions as to the nature of the communication I am to make to the Government of Pondicherry, consequent on the change on the system of franking letters on the Public Service, ordered to be introduced from and after the 1st proximo.

No. 20. ORDER THEREON, 3rd August 1866, No. 768.

Mr. Reade's former letter, under date the 9th June last, requesting instructions as to the effect which the Notification of the Home Department, of the 4th May, No. 567, will have upon the privilege which has hitherto been granted to Governors of Foreign European Settlements of franking official letters, has been referred for the orders of the Government of India. Pending the receipt of a reply to the reference, no definite communication can be made to His Excellency the Governor of Pondicherry.

2. Looking at paragraph 15 of the Notification, it seems that no alteration need be made in the practice hitherto pursued as to correspondence within the limits of the District in which the Settlement is situated.

3. With regard to other official correspondence, Mr. Reade is at liberty to make such a temporary arrangement with the French Government as he may deem necessary under the circumstances, informing His Excellency of the change that has taken place in the system, and intimating the doubt which has arisen as to the arrangement which will be made hereafter with his Government.
