Proceedings of the Madras Government, Public Department.

7th August 1866.

No. 60. Read the following letter from the Officiating Principal Inspector General, Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 6th August 1866, No. 287.

I have the honor to forward, for the favorable consideration of Government, an appeal against a retrenchment sent out against Apothecary F. Pearl, for allowances drawn by him when in charge, by Order* of Government, of the Civil duties at Masulipatam.

No. 110, dated Trimulgherry, 28th July 1866, and enclosures.

* Public Department, dated 21st February 1866, No. 185.

2. Mr. Pearl was the sole Medical Officer in charge of the Jail and Zillah from 21st February to 29th May 1866, and was, like Assistant Apothecary Howard, entitled to the full allowances as Civil Medical Officer.

3. I take this opportunity of soliciting Government to be good enough to pass an order sanctioning the Civil Allowances to Apothecary J. Hargreaves during the period he is acting for Assistant Surgeon Dougall, who is absent on other duty.

4. Mr. Hargreaves' appointment appears in the Gazette, May 25th, 1866, page 914.

From Senior Surgeon W. STEWART, M. D., Trimulgherry General Hospital, to the Deputy Inspector General of Hospitals, Hyderabad Subsidiary Force, Secunderabad; dated Trimulgherry, 28th July 1866, No. 110.

I have the honor to forward a letter from Mr. F. Pearl, Apothecary, General Hospital, Trimulgherry, with reference to a retrenchment of Rupees 714-10-7 made against him for the consolidated Civil Allowance drawn while in Medical charge at Masulipatam, and Superintendent of Jail at that Station.

2. For the reasons stated by Mr. F. Pearl, I think it only requires that the circumstances of his case be represented to Government, in order that the above amount be passed to him. Mr. F. Pearl's services at Masulipatam were no doubt of a trying and arduous nature, during and after the late calamity at that Station, for which he received the thanks of Government. It is to be hoped that the allowances to which he appears entitled may be granted him as a substantial reward for his services.

From Apothecary F. PEARL, to Surgeon W. STEWART, M. D., Senior Surgeon, Trimulgherry General Hospital; dated Trimulgherry, 25th July 1866.

I beg to lay before you the annexed copy of letter, No. 1271, dated 30th June 1866, from the Acting Deputy Accountant General of Madras, in which the Paymaster of this Circle is requested to recover the sum of Rupees 714-10-7 from me, by monthly instalments of Rupees 60-14-0.

2. In the Proceedings of the Madras Government, dated 21st February 1866, I was appointed to the Civil Medical Charge of the Station, Masulipatam, which I assumed on the 24th March 1866, and relinquished on the 29th May 1866. During this period I only drew my Pay proper, Rupees 50-0-0 per month, together with the consolidated Civil Allowances, at Rupees 335-10-10 per month. The latter allowance was drawn by the Officer whom I relieved. Assistant Apothecary J. Howard, M. D., who has a similar but smaller charge, draws the consolidated Civil Allowance together with his Military Pay proper. My duties were notwithstanding arduous; the Medical charge of the Jail devolved on me, of which I was also the Superintendent, and in addition had to attend to the Military, Warrant, and Non-Commissioned Officers, with the pensioners of the station.

*Proceedings of the Madras Government, Public Department,
7th August 1866.*

3. I most respectfully beg to state that, as Assistant Apothecary Howard, M. D., far my junior in rank, who has a Civil Medical charge, draws the consolidated Civil Allowances, I beg that the said boon may be granted to me, and humbly request you will kindly forward this, with your kind support, to the Principal Inspector General, Medical Department, for the sanction of the Government, through the Deputy Inspector General of Hospitals, Hyderabad Subsidiary Force.

From the Acting Deputy Accountant General, Madras, to the Paymaster, Hyderabad; dated 30th June 1866, No. 1271.

Post Audit Department.

The undersigned has the honor to request that the Paymaster will recover Rupees 714-10-7, from Apothecary F. Pearl, now at Trimulgherry (as the pay drawn by that Officer for Medical charge of Masulipatam not having been sanctioned by Government) and credited to the Civil Accounts, intimating the same to this office for adjustment.

(Signed) R. TAYLOR,
Acting Deputy Accountant General.

Forwarded to Apothecary Pearl; and the amount will be recovered by regular instalments of Rupees 60-11-0, commencing in the next issue of pay.

MILITARY PAY OFFICE, HYDERABAD CIRCLE,
