Proceedings of the Madras Government, Public Department,

9th August 1866.

No. 70. Read the following letter from the Officiating Collector of Tanjore, to the Acting Chief Secretary to Government, Fort Saint George; dated Point Calimere, 16th July 1866, No. 758.

In accordance with Proceedings of Government, dated 31st March 1866, No. 332, Rupees 100 were sanctioned for supplying articles for the Paris Exhibition from this District. I conjecture, however, we shall be able to manage with Rupees 50. I have, therefore, the honor to request that I may spend the remaining Rupees

50 in procuring articles to be sent to Mr. Ballard's Exhibition* in Malabar. I have done what I could to induce people to

send articles themselves, but they all plead inability, owing to the badness of the times and seasons. Although what I ask for is but small, still it would enable us to exhibit at Calicut good specimens of silk cloths, and tobacco of fine quality.

No. 71. ORDER THEREON, 9th August 1866, No. 796.

The Collector should address the Madras Committee of the Paris Exhibition regarding the disposal of the balance of the sum sanctioned for purchases in the Tanjore District.

For Orders.

My L. account - I think good.

The money ~~is~~ paid of what Godt - assigned
for the Paris Exhibition - making it over
to the Committee appointed to look after
the Paris Exhibition affairs. It was on this
subject of that Committee that Sanjore got
10000 sent to it. If Sanjore can't spend it,
I think it should come back to the
Paris Exhibition Committee - W.D.

No 496 dated 9th August 1866.

The collector should
address the Madras Committee
of the Paris Exhibition regarding
the disposal of the balance of
the sum sanctioned for purchase
in the Tanjore District.
