*Proceedings of the Madras Government, Public Works Department,  
20th January 1866.*

No. 490. Read the following Memorandum from the Chief Secretary to Government, Public Department:—

(Here enter 8th January 1866, No. 6.)

From the Collector of Madura, to the Chief Secretary to Government, Fort Saint George, dated, Kodikanel, 25th December 1865, No. 2,240.

Adverting to the Order of Government in the Public Department, dated 26th October last, No. 1,127, I have the honor to submit copy of a letter from the Zillah Surgeon, dated the 18th December, No. 87, again urging the necessity of having a separate building for a Dead House. I concur with him in his remarks, and beg the Government will sanction the erection of the building, as it is in my opinion urgently required. The dissection of dead bodies in either Hospital must be exceedingly revolting to the patients.

No. 491. ORDER THEREON, 20th January 1866, No. 237.

CIVIL WORKS, No. 86.

1. The Governor in Council sanctions the estimate, amounting to Rs. 215, for the erection of a Dead House in connection with the Civil Dispensary at Madura.

2. As there are at present no funds at the disposal of Government, the Superintending Engineer of the 8th Division will provide the amount which is required from the allotment for Minor New Works in the Madura District, but if this is found to be impracticable he will apply for a grant, early in May next, from the Reserve of 1866-67.

Secretary to Government.
