*Proceedings of the Madras Government, Public Department,
14th August 1866.*

Read the following papers:—

No. 83. From the Civil and Session Judge of Nellore, to the Chief Secretary to Government, Fort Saint George; dated Nellore, 28th July 1866, No. 35.

As, under the orders of the Government of India, dated Simla, the 4th May 1866, No. 567, published in page 849 of the *Official Gazette* of the 18th May last, Service Postage Labels will have to be used by this Court for official covers addressed to other than privileged offices from the 1st proximo, and as no provision is made in the Budget Estimate for the current official year to meet this new contingent charge, I have the honor to request that you will have the goodness to obtain the special sanction of Government for the sum of Rupees (30) thirty, being the probable requirement estimated for the remaining eight months of the current official year.

No. 84. From the Accountant General, Madras, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 9th August 1866, No. 145.

Budget and Resource Department.

With reference to the Official Memorandum from the Acting Under Secretary to Government, No. 248, dated the 3rd instant, I have the honor to state that, in the absence of any information as to the amount of Service Postage Labels which will probably be required by Public Officers not included in the Post Office privileged list, I am unable to state whether there will be savings enough in the current year's Budget to meet the whole of such charges.

2. As, however, the expenditure on the above account has been sanctioned by the Government of India, it may be incurred under the provisions contained in paragraph 15 of the Financial Resolution of the Government of India, No. 1739, dated the 12th August 1864, the question as to the necessity of supplementing the Budget Grant being left to this office to settle, in conformity with the above Resolution.

3. The original letter from the Civil and Session Judge of Nellore, which accompanied the Official Memorandum under reply, is herewith returned.

No. 85. ORDER THEREON, 14th August 1866, No. 807.

The Governor in Council approves of the course recommended by the Accountant General in the letter above recorded, and requests that he will issue the necessary instructions to all Public Offices not on the privileged list.
