No. 126. Read the following letter from His Excellency the Governor of the French Settlements in India, to His Excellency the Right Honorable the Governor of the Presidency of Fort Saint George; dated Pondicherry, 6th August 1866, No. 11.

TRANSLATION.

I have the honor to reply to your Excellency's letter of the 2nd instant, No. 759.

2. It was in consequence of an error that the period of one hundred days figured in the apportionment of provisions to be shipped on board, at the time of the last acceptance of tenders for the conveyance of Emigrants to the Antilles. The next advertisement for tenders will stipulate for 126 days, according to regulation, and the shipment of all the provisions at the port of embarkation, as had been decided since the remarks of the British Government in the case of the *Mansard*.

3. I have besides directed that the three British Ships that were engaged at the last acceptance of tenders should take some additional supply of provisions, so that they will have more than enough for their passengers. The shipment, already completed on one of them, is going on board the others at Pondicherry.

4. Mr. Norfor, the Consular Agent, submitted his observations to me many days before the arrival of your Excellency's letter, and I hastened to set things aright. A great solicitude prevails here as to all that concerns the interests and the fate of Emigrants.

Monsieur le Gouverneur,

J'ai l'honneur de répondre à la lettre
de Votre Excellence en date du 2 courant.

C'est par suite d'une erreur que la base
de rent jours a figuré dans le décompte
des approvisionnements de bord, lors des adju-
-dication dernières pour transport d'émigrants
aux Antilles. Le cahier des charges pour la
prochaine adjudication stipulera les 126 jours
réglementaires et tous les approvisionnements
seront embarqués au port de départ, comme
cela se fait depuis les observations de l'Admini-
-stration anglaise à l'occasion du Mansard.

J'ai avisé d'ailleurs à ce que les trois
navires anglais, admis aux dernières adjudica-
-tions, embarquent des suppléments de provisions
au moyen desquels ils auront plus que le
nécessaire pour leurs passagers. Le chargement
