Proceedings of the Madras Government, Public Department,

13th July 1867.

No. 146. Read the following letter from the Acting Collector of Vizagapatam, to the Chief Secretary to Government, Fort Saint George; dated Vizagapatam, 29th June 1867, No. 436.

Difficulties having arisen in the collection of Municipal tax from travellers or temporary sojourners visiting this station, I have the honor to submit the following query, and request that an answer thereto may be furnished at your earliest convenience :—

Query.—A traveller entering the Municipal limits pays toll, of course, for his animals and vehicles under Section 51 of the Act. He chooses to stay here, say for a fortnight or more. Is he then liable or not to the bi-ennial tax for the said animals and vehicles under Section 58 ?

2. Several cases of the above description have occurred in which the parties refused to pay, on the ground that they were not permanent residents.

3. The Act, as I read it, makes no distinction; but as the public look for something definite on the subject, I submit the question.

No. 147. ORDER THEREON, 13th July 1867, No. 837.

The question referred in this letter should be disposed of by the Municipal Commissioners, who can best judge whether the class of persons described can equitably be assessed.

2. Any defects found in Act X of 1865 should be reported to Government, with a view to the future amendment of the Act. But the interpretation of the law must be left to the Courts, to which persons aggrieved can apply for redress.
