*Proceedings of the Madras Government, Public Department,
24th August 1866.*

No. 151. Read the following letter from the Principal Inspector General, Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 23rd August 1866, No. 307.

I have the honor to bring to the notice of Government the following matter.

2. The Chupper building formerly used for the accommodation of the Native sick at the General Hospital was, as the Government are aware, so much injured during the last monsoon that it was necessary to abandon it, and remove the patients into the General Hospital.

3. A considerable portion of the building has been removed, but there still remains enough to make three wards, which are used by the Medical Officers of the Civil Hospital for the treatment of contagious cases, but it is in such a state of dilapidation, that to avoid the rays of the sun, and the rain, it is occasionally necessary to remove the patients from one part of the ward to another.

4. I believe it was not the intention of Government to have this building repaired, but until the whole of the General Hospital is given up to the Civil sick, I think it highly advisable that it should be kept up, to be used, as it now is, as a separate Hospital for cases of Cholera and Small-pox.

5. The General Hospital was so over-crowded on the day of my last visit, 20th instant, that I have requested the Deputy Inspector General to use his discretion in recommending the discharge from Hospital of such patients as are not suffering from severe illness.

6. It is unnecessary to do more than allude to the evils which might result, were epidemic cases admitted into these crowded wards.

7. Between the 4th of July last and the 20th of this month, 52 cases of Cholera have been treated in the Chupper building.

8. I respectfully suggest to Government that immediate steps be taken to put these buildings in proper repair, and, as the Department of Public Works is so fully engaged, that the Deputy Inspector General of Hospital, Centre Division, be authorized to enter into contracts for this purpose.

No. 152. ORDER THEREON, 24th August 1866, No. 849.

The repair of the Shed for the temporary accommodation of Cholera and Small-pox patients is approved.

2. Orders will be passed in the Department Public Works on paragraph 8.

Proceedings of the Madras Government, Public Department,
18th July 1867.

No. 165. Read the following letter from the Accountant General, Madras, to the Officiating Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 1st July 1867, No. 465.

Presidency Audit Department.

I have the honor to request that the Right Honorable the Governor in Council will be pleased to allow S. J. Iyaloo Reddy, an Assistant Auditor in this Office establishment, but an unpassed candidate, to draw a monthly salary of more than Rupees 25, under the following circumstances.

2. The Cashier in the Examiner of Claims' Department who is in the grade, the pay of which ranges from Rupees 30 to Rupees 50 a month by annual increases of Rupees 5, has been granted six months' leave on private affairs.

3. It is not an easy matter to find any one to fill the post, as the pay is low, and the responsibility by no means small. The best arrangement I can make in the office is to appoint Iyaloo Reddy to act as Cashier.

4. Iyaloo Reddy has been in Government Service since the 1st June 1863, is steady and painstaking, and has given very great satisfaction in the discharge of his duties. He was, in the first place, in the late Civil Paymaster's Office, and since the amalgamation of the Audit and Account Offices has been attached to the Examiner of Claims' Department, and it is upon Mr. Donald's recommendation that he has been put in charge of the Cash.

5. As the duties of a Cashier are confined to the payment of bills admitted by the Examiner of Claims, I trust Government will be pleased to allow S. J. Iyaloo Reddy, without requiring him to pass the General Test Examination, to draw the acting allowance of Rupees 27-8-0 per mensem, and hereafter the full salary as Cashier, should the permanent incumbent not return, and he be confirmed in the appointment.

No. 166. ORDER THEREON, 18th July 1867, No. 849.

Under the circumstances represented by the Accountant General, the Governor in Council authorizes that S. J. Iyaloo Reddy be allowed to draw the Acting Cashier's allowance of Rupees 27-8-0 per mensem without passing the General Test Examination during the absence on leave of the permanent incumbent.

2. Should the appointment of Cashier become permanently vacant, the Accountant General will notify the same in the Gazette; and should he then be unable to secure a qualified and suitable man for the post, he will address Government on the subject.
