MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

Memorandum from the Adjutant General..... Here enter 30th July 1866, No. 495.
Chief Secy. to Govt... „ 14th Aug. „ „ 257.

Memorandum from the Adjutant General, Head Quarters, Ootacamund, 30th July 1866, No. 495; to the Secretary to Government, Military Department, Fort Saint George.

The Commander-in-Chief has the honor to recommend that the application of the head of the Medical Department, in the concluding part of paragraph 2 of the within letter, *viz.*, to be allowed to entertain 25 paid candidates, may receive the sanction of Government.

2. Mr. Shaw's request, in regard to the entertainment of 100 pupil candidates, was disposed of in the Order of Government, dated 13th June last, No. 2008. The second point in his letter, regarding paid candidates, was inadvertently over-looked in this office.

3. The accompanying letter, dated 23rd instant, No. 270, from Mr. Shaw, is forwarded for information, with advertence to the referred correspondence from the Resident at Hyderabad, received under date 18th idem.

From the Officiating Principal Inspector General Medical Department, Fort Saint George, 29th May 1866, No. 191; to the Adjutant General.

I have the honor to request, with reference to my letter, No. 121 of the 28th March last, that you will be so good as to ascertain whether His Excellency the Commander-in-Chief has any objection to an advertisement being issued for the entertainment of 100 pupil candidates, as recommended in the last paragraph of the communication above referred to.

2. I would beg to remark, with regard to paragraph 10 of my letter above referred to, that the Commission lately sitting in Calcutta have recommended the introduction of the principle of *seconding* in regard to all subordinates in Civil employ, and that the Madras Presidency shall continue to supply subordinates to the Civil Governments of Burmah, Mysore, the Straits and Hyderabad Assigned Districts. Under these circumstances, I do not apprehend any great reduction in the numbers of the Apothecary grades; and to provide a sufficient number for the public service, I think it is necessary that permission be accorded to the entertainment of 25 paid candidates.

3. I beg to solicit the early orders of His Excellency the Commander-in-Chief and Government regarding these recommendations, as the time has arrived when candidates should be called for by public advertisement.

From the Officiating Principal Inspector General, Medical Department, Fort Saint George, 23rd July 1866, No. 270; to the Adjutant General.

I have the honor to acknowledge your docket conveying a communication from the Military Secretary, to the Resident of Hyderabad requesting to be informed whether in the G. O. calling for 100 Medical pupils, provision for the requirements of the Hyderabad Contingent has been made.

No. 2697, 19th July 1866.

2. Colonel Briggs, in paragraph 2, says "one Assistant Apothecary is at present required."

3. There is no Assistant Apothecary available for the Hyderabad Contingent. The G. O., by His Excellency the Commander-in-Chief, of 21st June last, No. 55, only calls for Native pupils, who will eventually become Dressers.

* No. 191, 29th May 1866.

4. I beg to re-call your attention to the 2nd paragraph of my letter* to your address. As yet, I have not received authority to call for the 25 paid candidates therein suggested.

5. A copy of Colonel Briggs' letter is kept for reference.

Referred to the Educational Department.

3rd August 1866.
