PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers :—

From the Acting Superintendent of Family Payments and Pensions. } Here enter 25th July 1866, No. 1212.

Report from the Controller of Mily. Accts. „ 27th „ A.

From the Acting Superintendent of Family Payments and Pensions, Fort Saint George, 25th July 1866, No. 1212; to the Secretary to Government, Military Department.

With reference to paragraph 12 of Order No. 567, dated Simla, 4th May 1866, published in the Fort Saint George Gazette of the 18th idem, I have the honor to request that you will be good enough to obtain the sanction of Government to allow me to draw an advance of a sufficient sum from the Treasury, to enable me to purchase the postage labels as therein directed.

2. I beg to subjoin the number of packets and ~~letters~~ dispatched from this office during the months of May and June 1866.

In May 1866,..... No. 606.

In June 1866..... „ 610.

3. With reference to paragraph 14 of the above Order, I beg to be informed how the Officers in charge of Family Payments and Pensions at the several stations are to be supplied with postage labels.

From Major J. G. TOUCH, for Controller of Military Accounts, Fort Saint George, 27th July 1866, A; to the Secretary to Government, Military Department.

I have the honor to forward a letter from the Superintendent of Family Payments and Pensions, dated 25th July 1866, No. 1212, requesting sanction to an

Fort Saint George Gazette, dated 18th May 1866, page 849. advance to enable him to purchase postage labels required by notification of Home Department, No. 567, dated 4th May 1866.

2. The charge for such is to be adjusted on contingent bill, and, in ordinary course, actual disbursements would be made by heads of offices, &c.; but in some offices the amount would be so great as to involve inconvenience.

3. I presume that instructions on the subject will be issued applicable to both the Civil and Military Departments. It appears to me that a permanent advance under rules similar to those

Notification 10th June 1859, Fort Saint George Gazette, 14th idem, page 1191. which regulate advances for telegraph messages, would best meet the case.

Pro. of Govt., 15th February 1862, No. 505, Public Department, No. 176, dated 2th February 1862.

ORDER, No. 2703, 2nd August 1866.

The Governor in Council sanctions a permanent advance, equal to one twelfth of the estimated requirements of the year, for the purchase of postage labels, being made to the Superintendent of Family Payments and Pensions, and to the Pension Paymasters at the several stations, the expenditure being adjusted monthly by contingent bills.

2. The Controller's report above recorded, will be referred to the Public Department, in view to its being ascertained whether any general instructions on the subject of the postal notification in question, are contemplated.
