MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

Memorandum from the Principal Inspector General Medical Department, Fort Saint George, 22nd August 1866, No. 306.

Forwarded for the favorable consideration of Government.

From the Assistant Surgeon in Medical Charge Lunatic Asylum, Madras, 17th August 1866, No. 246; to the Deputy Inspector General of Hospitals, Presidency.

Owing to the prevalence of Cholera in the Lunatic Asylum, I have the honor to request that I may be supplied with 8 European tents to pitch in the compound and keep the patients in for a time, with a view to the arrest of the disease. I may mention that the strictest conservancy is maintained in this establishment, and since the Cholera broke out, fumigation has been practised daily and dis-infectants freely used in each Cell, but without any apparent beneficial effect. The drinking water is now also being disinfected by Condy's Fluid and filtered. The construction of the Asylum, however, is so faulty, that I consider it absolutely necessary to move the inmates into tents for a time, and consequent on this measure, 10 additional guards will also be necessary. I have asked for these from the Commissioner of Police.

The undersigned, in anticipation of this letter, conferred this morning with Lieutenant Colonel Lawder, Deputy Quarter Master General, regarding the pitching of 4 tents in the compound of the Lunatic Asylum, which the urgency of the case demanded—13 cases of Cholera having occurred in the Asylum—Colonel Lawder most obligingly consented to have the tents pitched by eleven o'clock—provided the sanction of Government be obtained for supplying them, which I request may be.

Dy. Insp. Genl. of Hospitals, Presy. Dn.

17th August 1866.

ORDER, No. 2972, 24th August 1866.

Communicated to the Public Department.

2. The supply of tents is sanctioned under the conditions stated in Proceedings of Government, No. 2731, dated 4th August 1866.
