No. 204. Read the following letter from the Surgeon, General Hospital, to the Deputy Inspector General of Hospitals, Presidency, dated Madras, 22nd August 1866, No. 378.

By G. O. G., No. 323 of 1866, under date the 21st of August, His Excellency the Governor in Council is pleased to direct the addition of Pepper to all Meat diets ordered in G. O. G., No. 422, 5th December 1865.

2. On referring to the latter Order, I find that G. O. G., No. 422, details the diets for European Military Hospitals; but as the dietary now in use in this Hospital is assimilated to the Military, I have the honor to request a similar sanction may be accorded to the Civil patients.

3. It is so necessary a condiment that I have acted on the order for all patients on Meat diets this day, though the majority of patients in this Hospital are not Military.
